... the Lal Bagh, and that the latter
... only be done by a younger and
... stronger man. It would therefore meet the
... present exigency of the case and do ...
... kindness to an old servant of Dodd a ...
... Appa could be treated as a work of
... supererogation and be given an easier
... charge during the remainder of his service.

2. Such a post can be provided for
... in the Cubbon Park on the retirement

3. I am also of opinion that an occasional

4. The proposed arrangement, as it

for the same period will be exceeded by a sum of Rs. 12l, which, I beg to suggest, could be reappropriated from the heading "Contingencies" (wherein funds could be usually marshalled), to that of "Servants". Should these proposals be approved, I would respectfully ask Government to sanction the foregoing retrenchment and transfers to be effected as early as possible.

The Overseer in the Botanical Gardens has become too easy-going for the responsible charge he holds, and it is urgently necessary in the interests of the service, as well as for the safety of the public, that he should be at once relieved for lighter work.

that the post of Overseer Govt. Gardens be altogether abolished from the 1st. of April of current year. Under this arrangement Overseer Rama Rau could be promoted to the vacant post of Curator Govt. Gardens on the pay and allowance recommended in my original letter. The allowance is necessary, as in addition to duties at the Lal Bagh the Curator should be able to inspect and supervise work at the Lubban Park, Residency and Domain office Garden, as occasion may require.

3, On the retirement of the Lubban Park Maistry on the 1st. April, he would be succeeded by a new man on somewhat less pay, so that a slight saving may be effected in this establishment.

4, The abolishment of the post of Overseer and the appointment of a Curator, shows an excess Cost of Rs 35 per mensem. But allowing for a reduction of Rs 10 in the Salary of a mere Mistri, the Cost of establishment for Botanical Gardens will only be exceeded

by Rs 25 per mensem. For the three remaining months of the current official year this small sum can be met from general savings in the Garden budget. Begging that these modified proposals may be favorably considered in preference to those envisaged in my No 98 of the 20th Sept 1897.

Sir,

I have the honor to acknowledge the receipt of your No. 1350 Dated 18 August 1898 bearing the pension claims of Dodda Yellappa, late Overseer of the Botanical Gardens.

2. Judging from what is now explained by the Comptroller of Mysore and yourself, the official in question is not entitled to the privileges of Superior service with retrospective effect, but only for the five years or so for which his service was actually counted superior.

3. Admitting the correctness of this view, I now regret to find that, in strict accordance with the pension Rules, the late

Overseer is only entitled to a very small pension such as an ordinary plow would receive.

I therefore venture to hope that, as the case is altogether an exceptional one, the Government will give it careful consideration and grant Dodda Yellappah a good service pension for the excellent work he has done for the State and the Gardens in particular, during his long term of service.

It is needless for me to occupy your valuable time by repeating here what I have already verbally explained to you regarding the merits of this man. I shall therefore leave his case in your hands knowing well that full justice will be done in the matter.

Your most obedient servant

Sir,

I have the honor to report
that the post of Overseer, Botanical
Gardens, will become vacant from the
1st September, when Dodda Yellappah, the
present incumbent will have retired.

The appointment, in the absence
of a Curator, has become a very responsible
one owing to my frequent absence from the
Gardens on local and district duties.
It is, therefore, highly necessary in the
interests of the institution, as well as of
persons calling for information, that only
a skilled and thoroughly reliable man should
hold the office.

Such an official would be found
in the person of Mr. Rama Rao, the present
Overseer of the Gordon Park at Mysore.
I therefore propose, for the approval of
Government, that his services may be
transferred to the Lal Bagh on somewhat
higher pay than he now receives.

examined by the Civil Surgeon with a
view to retiring from the service on medical

Medical Officer's report, copy of which
enclosed, that the Overseer is "found
generally fit for further service for about

The case now stands that, Dodda
Iyppa should be allowed to serve
another two years to enable him to
earn and subsequently enjoy, the fruits
of his long service under Government.

But with due respect to the opinion
the Medical Officer, I still think
that the Overseer is unequal to the
possible duties of his present office
